

Swing wireless earphones

SKU: TEJZSWING

Magnetic wireless earphones with rubber headband, controls with multi-function buttons, ON/OFF function

WHY CHOOSE THEM?

The **Swing wireless earphones** from the Jazz range are a unique product for listening to your favourite music. Let yourself be carried away by a sound like no other: thanks to these earphones you will be able to appreciate the details of a cult genre of music.

TECHNOLOGICAL VIRTUOSITY

Jazz speaks to the future and is characterized by a unique combination of tradition and eclecticism. These Swing earphones put technology at the service of emotion.

Using them is very simple: separate the magnetic earphones to enter "ON" mode. Thanks to **wireless** technology, this product automatically connects to your smartphone through the pairing process.

The **multipoint** earphones also allow you to connect two devices simultaneously, ensuring great ease of use.

You can manage calls from both devices without disconnecting and reconnecting them repeatedly. Answer friends and colleagues with ease thanks to the built-in microphone.

COMFORT NOTES

The pleasure of listening is one of the strengths of the Swing earphones. The **ergonomic rubber headband** guarantees maximum comfort.

The ergonomic controls with multi-function keys have small dimensions: just as essential as Jazz.

GOOD VIBES

Deep bass and **crystal-clear high notes**: these wireless earphones allow you to enjoy all the facets of your favourite songs. Jazz is improvisation, rhythm, surprise: Swing earphones accompany you on this intense musical journey.

ALWAYS WITH YOU

Thanks to the magnets, you can store these earphones in a practical and simple way. As soon as the headphones are out of power, you can recharge them via the included **Micro USB cable**.

THE IDEAL GIFT

The packaging of Jazz range products is characterized by a description of the genre from which they take their name. The whole thing is complemented by a ticket that offers a special YouTube SBS playlist. An **original gift idea** to amaze all your friends who love good music.
