

## Beat Swim Tracker

SKU: TESPOTBEATSWIMK

### Swim tracker, water proof up to 30mt (100ft) with stroke counter and chronometer.

The **beat Swim tracker** is designed to monitor water sports. Thanks to a special algorithm it is able to count and record your swimming activities. It is water proof up to 30 meters (100ft) under water. The best feature is the possibility to synchronize it with the **Go Life App** for iOS and Android that records laps, distance and calories burned while in the water.

#### Features:

- Water proof up to 30mt (100ft)
- Syncs with Go Life App
- Compatible with iOS version 8 or Android version 4.3 or more recent.

This product uses the free Go Life app for iOS and Android. Download it for free from [AppStore](#) and [Google Play](#).
