

Wool Sound Winter Hat

SKU: TEWOOLCAPBT

- A black winter hat with integrated wireless earphones and microphone**
- A grey winter hat with integrated wireless earphones and microphone**
- A white winter hat with integrated wireless earphones and microphone**

The Wool Sound is a soft, warm and stylish knitted hat with integral earphones designed to make your winters a little less harsh. The built-in stereo headset is wireless: it guarantees a good sound quality without any wires to get in an annoying tangle. Answer and end call keys and an integral microphone let you answer calls without having to hold your smartphone. The headset also features buttons for playing, pausing and changing tracks. With the Wool Sound hat, you no longer have to choose between warm ears or a good sound quality. Once the stereo earphones are removed the hat is washable.

Features:

- Wireless
- Connection radius: 10m
- Frequency response: 20Hz-20KHz
- Charging time: about 2 hours
- Listening time: about 4 hours
- Sensitivity: 102 to 105 dB
- Speaker Impedance: 32 Ohms
